SIR,

In submitting herewith a copy of application dated 2nd December 1922 from M.R.Venkatarama Pandit, Assistant Pandit, Indigenous Hospital, Mysore, praying for increment of pay, I have the honour to state that Venkatarama Pandit was trained in the Indigenous Hospital, Mysore, and passed the requisite examination in 1902. He was appointed as assistant pandit on Rs.15 in 1905, and was given a personal allowance of Rs.10 in 1915, so that the said Pandit is now getting Rs.20 (including consolidated allowance of Rs.5) plus a personal allowance of Rs.10 or Rs.30 a month.

2. The clerical work of the Hospital for which there is no separate hand, and that of giving prescriptions to the increasing number of patients resorting to this Institution for treatment, are also attended to by the Assistant Pandit in addition to his own duties; and the several Superintendants of this Hospital, have spoken very well of his abilities, and conduct. Having had no promotion for the last 9 years, and the scale of pay allowed to him as Assistant Pandit being lower than that sanctioned to the Compounder of the Hospital (15 to 30 grade)-an anomoly which has to be remedied in the interests of discipline and prestige of the

Assistant Pandit—the present Superintendent strongly recommends the grant of increase of pay to the Assistant Pandit, and all the Councillors who also personally know of his duties and capacity warmly support the same.

3. In consideration of the foregoing facts, the Municipal Council in their meeting held on the 27th February 1924, have sanctioned the increment with a resolution to request the Government for increasing the pay of the Assistant Pandit from Rs.30 to 50, the Municipality bearing, as usual, one-third share. A copy of their Resolution No.XIV is herein enclosed for reference.

4. I have therefore to request that you will be so good as to place the matter before Government, and obtain their sanction thereto with effect from the 1st July 1923.

I have the honour to be,

Sir,

Your most obedient servant,

C. Sri Kantaswamy

President.

Copy of application dated 2nd December 1922 from M.R.Venkata-Rama Pandit, Assistant Pandit, through the Superintendent of the Indigenous Hospital, Mysore, to the President, City Municipal Council, Mysore.

---

I beg to submit the following for your kind perusal and consideration.

After passing the English Lower Secondary Examination and having studied up to the Matriculation standard, it happened that I was selected by the President of the Mysore District Board, as a stipendary student to undergo Ayurvedic training for four years in the Government Indigenous Hospital, Mysore. It was in November 1897 that I joined the College and in July 1902 I secured a pass in the final Examination.

In January 1905 I was appointed as Assistant Pandit on Rs.15 in the Indigenous Hospital, Mysore, and I was working on the same pay till 1915, when I was given a personal allowance of Rs.10.

I have acted for the Senior Pandit Mr.Kemparama Pandit more than once during his absence on leave and have also drawn the acting allowance for the period I worked.

From the time of Mr.Kemparama Pandit's illness before his death, (From March 1912 to March 1913) till a Superintendent was appointed for the Hospital, I worked as senior Pandit in addition to my own duties. The clerical work of the Hospital has always been done by me as there was no clerk separately for office work and the same arrangements continue till today. You will thus kindly see that I have put in over 18 years of service in the Hospital excluding my four years career in the Ayurvedic College with after all no prospects till now for all my qualifications and services. It is also discouraging to see that my

service does not seem to be a pensionable one and my salary very disappointing.

I do not know with what hopes for the future I have to work if my prospects are not to be bettered at all. I have almost spent my life in this Department and it is too late for me to change my career now.

The only way therefore open to me now is to appeal to you and seek redress in the affair.

I may also here submit that the compounder attached to this Hospital has been given a grade of Rs.15 to 30 and is placed along with the Compounders of the Medical Department. He is at present drawing a pay of Rs.23.

I understand that it is the President who was kind enough to effect this arrangement.

Under these circumstances, I beg to submit that the President may be pleased to consider my humble case and place me under Government Pensionable service with suitable prospects I am deserving of. I have always discharged my duties to the satisfaction of my officers. I enclose copies of my certificates etc., for your kind perusal.

---

For President.
